Dear Customer,

We are a company based outside Donegal Town involved in the supply and service of fire prevention equipment. I myself began working in Fire Prevention in 1985 and went on to form this company in 1987. We currently supply and service hundreds of outlets in the Northwest. Our products and services are up to current I.S. 290 and I.S. 291 standards.

OUR SERVICE

To inspect, survey and service all your fire prevention needs on site.

OUR PRODUCT RANGE

- Fire Extinguishers
- Smoke Alarms
- Fire Blankets
- Hose Reels and Hydrants
- Emergency Lights
- Exit Lights
- Panic Bolts for Doors
- Fire Retardant Paints and Sprays
- Fire Alarms
- Fire Doors
- First Aid Kits
- All Types of Signs - made to order
- Fire Demonstrations, Fire Drills and Evacuation Procedures

The company is a registered fire prevention company in Ireland (Reg. No: 98096) and is a member of the National Fire Security Organisation of Ireland.

If you wish to avail of our service or need any advice as to any aspect of your fire safety requirements, please call us.
